

Fourth Burgos ITP Congress

17-18 October
2025
Burgos (Spain)

PRESENTATION

Dear Colleagues,

Building on the success of previous ITP Conferences in Burgos, Spain, we are delighted to announce the **Fourth Burgos ITP Congress**, to be held at **Hotel Silken, Burgos**. This high-quality event promises an engaging program with the latest updates and insights in ITP research and management.

This conference will feature a series of **Expert-led Sessions** covering most important ITP topics e. g. translational models, new tools for ITP diagnosis including recently discovered therapeutic targets, platelet function and coagulation...

In addition to these talks, there will be a dedicated **Oral Communications session**, showcasing the latest diagnostic and therapeutic advances in ITP.

Interactive discussions following each presentation will allow attendees to engage directly with the speakers and explore these cutting-edge developments.

This meeting is designed for a diverse audience of hematologists, clinicians, and researchers, fostering collaboration and the sharing of the latest clinical insights in ITP.

We sincerely hope you will join us in Burgos for this exciting event and look forward to seeing you there.
