

WE ARE HIRING A HAEMATOLOGY CONSULTANT DOCTOR LIMERICK UNIVERSITY HOSPITAL

University Hospital in Limerick requires a haematology consultant doctor for March-April 2019.

Description:

UL Hospitals Group, based in the Mid-West of Ireland in counties Limerick, Clare and Tipperary, is now recruiting Consultants to work across the Group.

Our Consultants enjoy a great team working environment, where they have to opportunity to shape and influence change and to introduce new thinking; embracing fresh ideas is key to our mission to provide world-class healthcare for our patients. With our academic partner, the University of Limerick, we aspire to be one of the top three University teaching hospitals by the end of 2018.

The Mid-West is a beautiful, vibrant region, in the heart of the Wild Atlantic Way. With competitive property prices, excellent infrastructure, a huge variety of lifestyle amenities and easy access to top-class education, there has never been a better time to secure a career in the Mid-West.

We'd love you to be part of the Group that's changing healthcare in the Mid-West of Ireland.

In 2017, we opened a state-of-the-art Emergency Department at University Hospital Limerick, (UHL). We have new dedicated Cystic Fibrosis, Dermatology, Neurology/Stroke and Symptomatic Breast Units, as well as a new Dialysis Unit and Clinical Education and Research Building. UHL is the only public hospital in Ireland with a Da Vinci Xi Dual Console Robot.

Benefits:

- Initial contract of 6 months- 1 year.
- Approximate net monthly salary of **7000-7500€ net/month** after tax and pension deductions for Consultant positions. Could have the possibility to earn more money through private patients attending the hospital. Typical long term Consultants in Ireland are earning in excess of 10.000€ net/month (approximately 200.000€ gross/year).
- 31 working days per Year holidays for Consultants+ public holidays (there is 9 in a year).

- 7 study days leave per year to attend conferences or further education for Consultants.
- Up to 3000€ for educational funding for Consultants.
- Lucrative pension scheme included.

Requirements and Qualifications:

1. Should be a **Specialist in haematology inside the European Union**. Will need to get registered with the Irish Medical Council on the Specialist Registrar but we can help you with that if not yet registered. Please take into account that the process can take up to 3 months in total.
2. Have a very good command of written and spoken English.
3. Good motivation to go to Ireland to work as a doctor as from March-April 2019.

Application:

All candidates who are interested should send a **detailed CV in English** to the following e-mail address: **k.hardy2@hotmail.com**. Extra and more precise information on the job places will be given once we receive the CVs.
